

Mr. Basketball & Miss Basketball Minnesota Showcase

Parent Info Sheet

We are excited to have your son/daughter's team competing in the Minnesota Showcase in Mankato. The tournament will feature 28 mens and 30 womens teams from 7 states. All games will be played at the Taylor Center at MSU. The Minnesota Showcase is a very competitive tournament that will have a great fan following and atmosphere! Here are some quick notes to answer questions our staff often get.

- All-day admission is \$10 for adults and \$6 for students (k-8). A weekend pass will be available for \$30 for adults and \$18 for students. These waterproof wristbands allow you to pay on the first day and simply show your wristband the next three days as you re-enter the gyms.
- On Friday, games will be played on two courts in the Main Arena of the Taylor Center and the Schellberg Gym. On Saturday and Sunday, we will add two courts in the Rec Center. Both gyms, (Schellberg & Rec Center) are air conditioned and offer plenty of seating. Access to Schellberg & the Rec Center is through the main doors of the Taylor Center and then a walk down the hallway.
- NCAA coaches are prohibited from having contact with a prospect or the prospect's parents, family, coaches, and/or any other individual associated with the prospect as a result of her participation in basketball. Please avoid any situations at the gym, motels or restaurants that could be an NCAA violation.
- We have a computerized stats program and will post box scores and other items in the main arena during the tournament. We provide each coach with one copy after the tournament, but we do not print out extras for parents. However, when you get home, you can find everything posted at the gym during the tournament on our website as PDF files that you can print out!
- You will see the college coaches making notes in their Player Info Guides (P.I.G.). We are the only the tournament in the country that provides a similar book for the fans! The PIG's are a typed and bound booklet that has every roster, along with extensive bio info on each player, including all their statistical averages, high school, position, post season honors, team's win/loss record, playoff results and more. The Fan's PIG is the same as the college coaches version, except we have taken out the personal info like addresses, phone number, grades and test scores. These are a great for fans who want to know more about the players they are watching!!
- MSU's concession stand will be NOT be open during the event. Players should plan accordingly for water, etc.
- Results will be updated on our website immediately after each hour's games are completed.

This is our 20th summer hosting national college exposure tournaments. Our staff will do everything we can to make this the best tournament you have ever played in. Please travel safely and we look forward to an AWESOME weekend of basketball!!! – Doug Koster.
